Beira Alta. Sabugal. Seven villages. Once a year, in August, the villages rejuvenate. Is the date on which it performs an original bullfight, "Capeia Arraiana". Villages compete. Teams of many men, faces the bulls which are brought from Spain, with the "forcão", a traditional handmade object. The "Capeia Arraiana" is a party scrupulously prepared and as expected by those bands like Christmas. The Capeia brings people from different villages together and brings them the joy of other times.
